

Maine
has a new
passenger train. It's
called the Downeaster
and it travels daily
between Portland
and Boston.

Maybe you can
get there on foot.
Check out these old
running shoes below.

Replacement required every 500 miles!

**My other vehicle
is my **BICYCLE****

Bikes!

- Number of biking and walking commuters: 4.2%, or 26,102 Mainers.
- Maine's ranks 14th in the nation for bike and walking commuters
- Estimated number of Mainer's who bicycle regularly: 152,991⁷
